General Terms and Conditions

1) Non-Disclosure & Fraud

This Policy has been issued in reliance of Your representations that You have made a full and accurate disclosure of all material facts and circumstances and that You have not misrepresented or suppressed any material facts or circumstances. In the event that it is proved in accordance with Section 45 of the Insurance Act, 1938, as amended from time to time, that You have misrepresented or suppressed any material facts or circumstances, We shall be entitled to cancel this Policy and the premiums collected on the policy till the date of cancellation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date on which the policy is cancelled.

Please note the terms of Section 45 of the Insurance Act, 1938, as amended from time to time, which states as follows:

- (1) *No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.*
- (2) *A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud:
Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.*

Explanation 1. – For the purposes of this sub-section, the expression "fraud" means any of the following acts committed by the insured or by his agent, with intent to deceive the insurer or to induce the insurer to issue a life insurance policy: –

- (a) *the suggestion, as a fact of that which is not true and which the insured does not believe to be true;*
- (b) *the active concealment of a fact by the insured having knowledge or belief of the fact;*

- (c) any other act fitted to deceive; and
- (d) any such act or omission as the law specially declares to be fraudulent.

Explanation II. – Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent keeping silence, to speak, or unless his silence is, in itself, equivalent to speak.

- (3) *Notwithstanding anything contained in sub-section(2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer:*

Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.

Explanation. – A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.

- (4) *A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:*

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based.

Provided further that in case of repudiation of the policy on the ground of mis-statement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

M

Explanation. – For the purposes of this sub-section, the misstatement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured.

- (5) *Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.*

2) Prohibition of Rebates

- a) Please note the terms of Section 41 of the Insurance Act, 1938, as amended from time to time, which states as follows:

Provided that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub-section if at the time of such acceptance the insurance agent satisfies the prescribed conditions establishing that he is a bona fide insurance agent employed by the insurer.

(2) Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.”

3) Grace Period:

- i) If the actual Age of the Life Assured is such that the Life Assured would not have been eligible under this insurance product either on Policy Commencement Date or on date of Death for insurance coverage, this Policy shall be cancelled with effect from the Policy Commencement Date and the Instalment Premium received shall be refunded after the deduction of the stamp duty charges and costs incurred by Us on the medical examination of the Life Assured, if any.
- ii) If the actual Age of the Life Assured is higher than the declared Age and higher Instalment Premiums should have been charged per Our board approved underwriting policy, the benefits payable under this Policy shall be reduced to the amount that the Instalment Premiums received would have purchased at the actual age of the Life Assured.

Provided that if any dispute as to the priority of payment arises as between assignees, the dispute shall be referred to the IRDAI.

(7) Upon the receipt of the notice referred to in sub-section (5), the insurer shall record the fact of such transfer or assignment together with the date thereof and the name of the transferee or the assignee and shall, on the request of the person by whom the notice was given, or of the transferee or assignee, on payment of such fee as may be specified by regulations, grant a written acknowledgment of the receipt of such notice; and any such acknowledgment shall be conclusive evidence against the insurer that he has duly received the notice to which such acknowledgment relates.
