Each fund has its own Investment policy, based on asset allocation between equity, debt and money market instruments. The allocation between the funds is solely determined by us and depends upon the policy term chosen at inception and the policy year.

In the event of vesting being postponed, the total Fund Value as on original Vesting Date will be transferred to the Pension Conservative Fund. The monies will remain invested in the Pension Conservative Fund till the revised Vesting Date.

The following funds are available under this product:

i. Pension Equity Plus Fund

The Pension Equity Plus Fund aims at least 80% of the equity exposure to be limited to Nifty constituent stocks at any point in time and the balance of the equity exposure in non-Nifty constituent stocks.

ii. Pension Income Fund

The Pension Income Fund aims to provide superior returns through investments in high credit quality Debt instruments while maintaining an optimal level of interest rate risk. In addition up to 20% of the Fund may be invested in cash and Money Market Instruments, Liquid Mutual Funds and Deposits to facilitate the day-to-day running of the Fund. Fund management would involve continual monitoring and credit evaluations with rigorous buy and sell disciplines to maximize upside potential and manage downside risk.

iii. Pension Conservative Fund

The Pension Conservative Fund is a pure Debt Fund which invests in Government securities, high grade Fixed Income Instruments, Liquid Mutual Fund and Money Market Instruments. The fund aims to deliver stable returns by investing in the short end of the yield curve to limit the volatility and risk of the Fund.

The definition of Money Market Instruments is as given in the IRDAI Investment Regulations - IRDA/Reg./5/47/2008 (22nd August 2008).

In all the above Funds, Deposits means deposits issued by Banks included in the Second Schedule to the Reserve Bank of India Act 1934, or a Primary Dealer duly recognised by Reserve Bank of India as such. (IRDAI Regulation 3, Schedule I, (b) (iii)).

- 7) In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
- 8) Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured.
- 9) The insurer can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
