Provided further that if the Life Assured's correct age at entry is such as would have made him/her uninsurable under the class or terms of assurance specified in the said Schedule hereto, the class or terms shall stand altered to such Plan of Assurance as are granted by the Corporation according to the practice in force at the commencement of this policy subject to the consent of the Policyholder, otherwise the policy will be cancelled.

2. **Forfeiture and Non-forfeiture Regulations:**

Forfeiture Regulations:

- i. If less than two full years' premiums have been paid in respect of this policy and any subsequent premium be not duly paid, all the benefits under this policy shall cease after the expiry of grace period from the date of First Unpaid Premium and nothing shall be payable, and the Premiums paid thitherto are also not refundable.
- ii. Forfeiture in Certain Other Events: In case any condition herein contained or endorsed hereon be contravened or in case it is found that any untrue or incorrect statement is contained in the proposal, personal statement, declaration and connected documents or any material information is withheld, then and in every such case this policy shall be void and all claims to any benefit in virtue of this policy shall be subject to the provisions of Section 45 of the Insurance Act, 1938, as amended from time to time.

Non-forfeiture Regulations

If after atleast two full years' premiums have been paid in respect of this policy and any subsequent premiums be not duly paid, this policy shall not be wholly void, but shall subsist as a paid-up policy till the end of policy term.

The **Sum Assured on Death** under a paid-up policy shall be reduced to such a sum, called '**Death Paid-up Sum Assured**' and shall be equal to Sum Assured on Death *multiplied* by the *ratio* of the total period for which premiums have already

been paid bears to the maximum period for which premiums were originally payable. In addition to the Death Paid-up Sum Assured, Guaranteed Additions accrued up to the date of First Unpaid Premium, shall also be payable on death.

The **Sum Assured on Maturity** under a paid-up policy shall be reduced to such a sum called '**Maturity Paid-up Sum Assured**' and shall be equal to Sum Assured on Maturity *multiplied* by the *ratio* of the total period for which premiums have already been paid bears to the maximum period for which premiums were originally payable. In addition to the Maturity Paid-up Sum Assured, Guaranteed Additions accrued up to the date of First Unpaid Premium shall also be payable on maturity.

Under a Paid-up policy, accrued Guaranteed Additions shall be payable for the duration for which the policy was in-force, i.e. for the duration for which all the premiums have been paid. Hence, under a paid-up policy, the Guaranteed Addition for the policy year in which the last premium is received will be added on proportionate basis in proportion to the premium received for that year.

Notwithstanding what is stated above, if at least 3 full years' premiums have been paid in respect of this policy, and any subsequent premium be not duly paid, in the event of the death of the Life Assured within six months from the due date of First Unpaid Premium, "Sum Assured on Death" and accrued Guaranteed Additions will be paid after deduction of (a) unpaid premium(s) for the base policy with interest thereon up to the date of death on the same terms as for revival of the Policy during such period, and (b) the balance premium(s) for the base policy falling due from the date of death and before the next Policy anniversary. This provision shall not apply in case of death due to suicide.

Notwithstanding what is stated above, if at least 5 full years' premiums have been paid in respect of this policy, and any subsequent premium be not duly paid, in the event of death of the Life Assured within 12 months from the due date of First Unpaid Premium, "Sum Assured on Death" and accrued Guaranteed Additions will be paid after deduction of (a) unpaid premium(s) for the base policy with interest thereon up to the date of death on the same terms as for revival of the Policy during such period, and (b) the balance premium(s) for the base policy falling due from the date of death and before the next Policy anniversary. This provision shall not apply in case of death due to suicide.

All of the above mentioned Non-forfeiture Regulations do not apply to Riders as the riders do not acquire any paid-up value. The riders benefit ceases to apply, if policy is in lapsed condition.

- 3. Revival of lapsed Policies:** An Insurance Policy would lapse on non payment of due premium within the days of grace. A policy in lapsed condition may be revived during the life time of the Life Assured, but within the Revival period and before the Date of Maturity, as the case may be. The revival shall be effected on payment of all the arrears of premium(s) together with interest (compounding half yearly) at such rate as may be fixed by the Corporation from time to time and on satisfaction of Continued Insurability of the Life Assured and/or Proposer ((if LIC's Premium Waiver Benefit Rider is opted for) on the basis of information, documents and reports that are already available and any additional information in this regard if and as may be required in accordance with the Underwriting Policy of the Corporation at the time of revival, being furnished by the Policyholder/Life Assured/Proposer.

The Corporation however, reserves the right to accept at original terms, accept with modified terms or decline the revival of a discontinued policy. The revival of the discontinued policy shall take effect only after the same is approved, accepted and revival receipt is issued by the Corporation.

The rate of interest applicable for revival under this plan for every 12 months' period from 1st May to 30th April shall not exceed 10 year G-Sec Rate as p.a. compounding half-yearly as at the last trading day of previous financial year plus 300 basis points. For the 12 months' period commencing from 1st May, 2020 to 30th April, 2021 the applicable interest rate shall be 9.5% p.a. compounding half-yearly.

Revival of Rider(s), if opted for, will only be considered along with the revival of the Base Policy and not in isolation.

- 4. Surrender** The policy can be surrendered by the policyholder at any time during the policy term provided two full years' premiums have been paid. On surrender of the policy, the Corporation shall pay the Surrender Value equal to higher of Guaranteed Surrender Value and Special Surrender Value.

The Special Surrender Value is reviewable and shall be determined by the Corporation from time to time subject to prior approval of IRDAI.

The Guaranteed Surrender Value payable during the policy term shall be equal to the total premiums paid (excluding any extra premium, any premiums for rider(s), if opted for and taxes), multiplied by the Guaranteed Surrender Value factor applicable to total premiums paid plus accrued Guaranteed Additions multiplied by GSV factor applicable to accrued Guaranteed Additions. These Guaranteed Surrender Value factors expressed as percentages will depend on the policy term and policy year in which the policy is surrendered and are contained in Annexure-4 of this Policy Document.

No surrender value will be available on Rider(s), if any.

- 5. Policy Loan:** Loan shall be available under the Policy subject to the following terms and conditions, within the surrender value of the policy for such amounts and on such further terms and conditions as the Corporation may fix from time to time:

Annexure-3

Section- 45 as per Insurance Act, 1938

1. No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
2. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later on the ground of fraud:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.

Explanation I.-For the purposes of this sub-section, the expression "fraud" means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:-

- a) the suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- b) the active concealment of a fact by the insured having knowledge or belief of the fact;
- c) any other act fitted to deceive; and
- d) any such act or omission as the law specially declares to be fraudulent.

Explanation II- Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

3. Notwithstanding anything contained in subsection (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the misstatement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such misstatement of or suppression of a material fact are within the knowledge of the insurer:

Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.

Explanation – A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.

4. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based:

Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

Explanation. - For the purposes of this sub-section, the misstatement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured.

5. Nothing in this Section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.
