FUTURE GENERALI GROUP ACCELERATED TERMINAL ILLNESS RIDER PROVISIONS

1. Definition of Terminal Illness:

The Terminal Illness Benefit is payable if the Insured Member becomes Terminally Ill. The Insured Member is considered to be Terminally Ill only if it has been conclusively diagnosed, by a medical practitioner appointed by the Company that the member is suffering from an illness which is expected to result in death within six months.

2. Amount of Insurance: If, while this Addendum is in force, any Member becomes Terminally Ill as herein defined, while insured hereunder, the Company shall pay the sum assured under this rider in one lump sum, upon receipt and approval of medical evidence satisfactory to the Company. The Coverage under this addendum shall cease after the payment of the benefit and any further premium for this benefit shall be discontinued.

The maximum amount payable in respect of an Insured Member in relation to the benefit payable under this addendum and that under the FGGTLIP shall not exceed the Sum Assured in the latter. Upon admission of claim for the benefit under this Addendum, the Sum Assured under the Policy of FGGTLIP shall be reduced by the sum assured in this Addendum. The premium payable under the former Policy would also be suitably reduced and the Coverage under the FGGTLIP Policy will continue for such reduced Sum Assured.

If however such reduced Coverage under the Policy of the FGGTLIP becomes zero, the Coverage under the Policy of the FGGTLIP and all attaching addendums along with the premiums thereunder shall cease for that Insured Member.

On payment of accelerator benefit, no recovery will be made if the life assured does not die subsequently.

The life assured will be considered for insurance under the base plan along with the accelerator at the next renewal date. The cover will be as per their eligibility and reduced by the accelerated terminal illness claim paid earlier. If the eligible cover is above guaranteed issue limit, the cover is subject to underwriting. In case the life is declined by underwriting, the cover is limited to Free Cover limit or the earlier cover provided, whichever is higher. In any case, the cover shall be provided after reducing by the amount of terminal illness claim paid earlier.

3. Claim Notification: The Company must be notified in writing that an Insured Member has suffered a Terminal Illness within 30 days from the occurrence of such illness.
