7. REVIVAL

If a premium is in default beyond the Grace Period and provided that the Policy is not surrendered, the Policy may be revived, subject to such conditions as the Company at its discretion may decide. 8. NON-FORFEITURE PROVISIONS:

If premiums have been paid for at least three consecutive years from the policy commencement date and not paid thereafter, the following non-forfeiture provisions would apply.

A. Reduced Paid-Up Value

On death of the policyholder any time during the term of the policy, the reduced paid-up Death Sum Assured will be paid to the nominee and the policy will terminate. The reduced paid up Death Sum Assured will be calculated as

Death Sum Assured * (Number of Premiums Paid / Total number of premiums payable)

On survival of life assured till maturity, the reduced paid-up Sum Assured will be paid as survival benefit where the reduced paid up Sum Assured will be calculated as

Sum Assured * (Number of Premiums Paid / Total number of premiums payable).

9. Surrender of Policy

Policy will acquire Surrender value after premiums have been paid for at least three full consecutive years. The *Surrender Value* is paid to you if you decide to surrender your Policy. Once the Policy is surrendered, all benefits under the Policy will immediately terminate and the Policy will not be eligible for *revival*. The amount payable to you on surrender of the Policy would, at all times be equal to the *Surrender Value* under the Policy.

The *Surrender Value* on a Policy will depend on the *term* of the Policy, the number of years for which premiums have been paid, the sum assured, the duration elapsed at the time of surrender and it shall be higher of the Special Surrender Value and the Guaranteed Surrender Value. The *Surrender terms* will be declared by the Company from time to time and will be based on past financial and demographic experience of the Company with regard to your Policy/group of similar Policies, as well as our assessment of such likely future experience.

The minimum *Surrender Value* (or Guaranteed surrender value) allowable under a policy is equal to 30% of premiums paid under the base policy (excluding any extra premium for occupation, non-standard age proof and non-standard lives) if the policy is surrendered in the 3rd year of the policy.

If the policy is surrendered anytime between the 4th year of the policy and 7th year of the policy the guaranteed surrender value will be set equal to 50% of premiums paid under the base policy (excluding any extra premium for occupation, non-standard age proof and non-standard lives)

**Future Generali India Life Insurance Company Limited**
