The cost of any provisional repairs will be borne by the **Company** if such repairs constitute part of the final repairs, and do not increase the total repair expenses.

- c. In case the insured item is subjected to total loss and meanwhile it becomes obsolete, all costs necessary to replace the lost or damaged insured item with a follow-up model (similar type) of similar structure / configuration (of similar quality) - i.e., low, average, high capacity - will be reimbursed.

The **Company** will make payments only after being satisfied, with necessary bills and documents that the repairs have been affected or replacements have taken place, as the case may be.
