

IAR Policy Wordings

Property under Care Custody and Control/Non Owned Assets

It is hereby understood and agreed, subject otherwise to the terms, conditions and exclusions of the Policy and endorsed hereon, that the insurance by this Policy extends to cover assets belonging to others (including but not limited to goods under consignment, held in trust or on lease or paid for awaiting delivery) for which the Insured may be held liable for loss or damage while in their care, custody or control at the Premises insured insofar as such assets are not otherwise insured under any other insurance policy.

The indemnity provided herein shall be subject to the limit of indemnity as specified in The Schedule.
