3. Your declaration shall state
 - i. Average of the value at risk on each day of the month, or
 - ii. Highest value at risk during the month
4. The value for Your declaration shall be the market value. Any loss covered shall be settled on the basis of the market value immediately before the loss.

If You cancel the policy after loss has occurred, We will retain the premium of the higher of the two amounts:

If the rate for the class of the relevant risk is revised during the Policy Period, You must pay an additional provisional premium on the revised rate for the unexpired period. In both these cases, the premium will be adjusted at the end of the Policy Period as stated in Clause 7 above.
14. If the Insured Stocks are collectively of greater value than their Sum Insured at the time of loss, You will be Your own insurer for the difference, and must bear a rateable proportion of the loss. Every item of Stock shall be separately subject to this condition.
