The balance premium for the uncompleted year and for a complete non-incepted policy year (if any), will be refunded to the insured. Refund of premium will be subject to:

- i. there being no claim made during the uncompleted year-period. If there is a claim during the uncompleted year period then we would refund only the premium for a complete non-incepted policy year (if any).
- ii. the retention of minimum premium as specified in the Tariff.
